

East High School

Des Moines, Iowa

June, 1969

How quickly we are to leave behind the security of our high school years. Soon we will no longer be a part of daily high school life that we have grown so accustomed to these past three years. Days when someone else planned our time for us are to be no more. The direction of our lives will be our decision alone.

In the beginning we were not yet aware of the satisfaction that our efforts to attain knowledge may provide for us. Each of us has at some time turned away from studies in apathy or discouragement. It soon became evident that our studies would provide rewards and personal satisfaction. Then we found ourselves turning back to them once more, this time without drudgery. We even found ourselves performing with a will.

Close friendships became meaningful through good times together and secrets shared. Will we cease to matter to one another as we go our separate ways?

As we leave we will be, for a time, relieved. Then we must cope with a world in which the shape of our lives is still uncertain.

We have had an opportunity to prepare ourselves for the future. The opportunity has been provided by East High.

We found great opportunity at East from an academic standpoint. East offered us a variety of courses to allow for our individual interests. The curriculum was designed to give us a well-rounded education. At East High, we had an opportunity to attain a high degree of education, and an educated person is usually a successful person.

East lacked little in the way of bringing people together. This gave us an opportunity to become socially aware of others. There were clubs for everyone, whatever his interests may have been. Activities, dances, athletic events, school plays—were many. At East we learned about people, to respect others' feelings, and how to get along with those around us every day.

East High, with its opportunities—both academic and social—has allowed us to graduate as people who are able to lead productive and meaningful lives "for the service of humanity."

Foreign Language Students Increase Use Of Language Lab

Students this year have had a varied selection of foreign languages from which to choose. The Foreign Language Department has courses in four languages: French, Latin, German, and Spanish. Mr. Pratt, who teaches Spanish, is a new addition to the staff.

The language lab, located on the third floor, has been used more frequently this year than any other. There students listen to tapes to learn correct pronunciation and usage. All of the language classes sponsor extra-curricular clubs.

High Rating Given By NCA!

This year an independent study program was added to the science curriculum. At the beginning of the year the students decided what they would like to study, then during the year they conducted projects and completed reports. Before a student can enter this course he must be interested in science and have recommendations from other teachers.

The North Central Association evaluating team gave a high rating to the Science Department this year as well as to other departments.

Learning From The Past

As the world grows more complex, many students wish to look beyond the traditional levels of history for answers to modern problems. The Social Science Department has introduced new courses to pursue these answers.

A course in Afro-American History was offered to seniors in the second semester. The purpose of this course was to emphasize the contribution of the Negro in American History. It is hoped that soon Black History will be incorporated into the regular history classes.

Another class created this year was Urban Geography. Unique in that it is one of only 29 in the country, the goal of this class is to discover why geography is so important in the location of towns and cities.

A course in Contemporary Affairs also was begun this year. This class was concerned with the problems facing modern life and the possible solutions for these problems.

A question brought up in a discussion is explained by Mr. Cowles.

Business Education

Some bookkeeping problems can be rather difficult; thus Barb Davidson and Karen Hansen seek the aid of Mr. Mauk in finding the answer.

Preparing For The Future

Experience is the key in preparing for a career in the modern business world. One of the many ways that the Commercial Arts Department has provided this experience for its students this year is through the opportunity to observe the work that many of them will be doing.

Visiting different business companies has presented a clear picture of varied types of secretarial work. Each student, therefore, can see the various departments and discover what he is preparing for in his present studies.

3 Work Study Programs

This year three work programs were offered, one being Distributive Education, a course dealing with the techniques of retail and distributing. Many of its participants partake in what is known as Co-op. Under this, the students spend half of the day at school and the remaining half on the job.

Another program is called Work Study and is taught by Mrs. Vittetaux. Helping her, by teaching drafting and mechanical drawing, is Mr. Martin. In the first year a full academic schedule is carried by the student. In the remaining two years, half of the day is spent in class and half at work.

The third program is known as "The Wage Earning Program" in Home Economics. Students spend part of the day in school and the remaining half on the job. Those selecting Food Service are employed in hospitals, restaurants, or the school lunch program. Those interested in Clothing Service may work in alterations, dry-cleaning, or drapery-making. Miss Kopec supervises this Wage Earning program.

Home Ec Expands, Offers New Class

"Personal and Family Living" is the title given to the revised and expanded course in family life education. The purpose behind the co-educational course is to provide the students with the opportunity to study their immediate family and their own personal values and goals for the future. In classroom discussions, topics like human development, parents, and family finance are discussed.

Other courses in the curriculum include Child Development and Home Furnishings taught by Mrs. Spoerl and Mrs. Rippentrop respectively.

Along with the expansion came some remodeling. Five new kitchens were installed along with laundry and storage units. Also added were two new lock-stitch sewing machines.

New Ideas In Music

Mr. Vander Wilt

Many new and different things have been added this year to East High's music department. Personal experiences have ranged from Dan Cassady's appearing in the Rose Bowl Parade to many participating in the newly-created Swing Choir.

Different ideas came along with our new music instructor, Mr. Carnes. This year he has created several small singing groups for a wider variety and bigger challenge.

Our band, under the direction of Mr. Vander Wilt, continued to be the spotlight of half-times, assemblies, and many concerts.

The Average Day Of A Counselor

The most important thing a counselor can do is to advise his counselees, but he has many other duties as well. A counselor always has to arrange and re-arrange schedules. New notices must be posted for college scholarships, and information must be sent to students about college representatives. And, because of the new attendance procedure, the counselor has much more to do concerning truancies and absences than he has had before.

Mr. Springate rechecks schedule as senior Everett Faux looks on.

Rise and Shine in '69

"Rise and Shine in '69" is exactly what the seniors did for the Senior Breakfast on March 21. Rolls, juice, milk, and hot chocolate were served at 7 a.m. in the brightly-decorated cafeteria. Following Don Prock's invocation, Tom Powell outlined plans for the 1969 class project. The guest speaker, Dr. Ray Pugh of Drake University, congratulated the group and advised them to set a goal in life. Entertainment was provided by the "Madrigal Singers" under the direction of Mr. Carnes, and the "Scarlet Rangers" under the direction of Dick Stradley. Senior Board advisers for the breakfast were Bette Wilson and Clay Hays.

Guest speaker, Dr. Ray Pugh, encourages the East High seniors, "set your goals high," at the Senior Breakfast.

Dan Cassaday: All American

In October, senior Dan Cassady was named to the 1968 McDonald's All-American High School Band. Comprised of the nation's 100 top high school band musicians, Dan was selected by Paul Lavalle, musical director of Radio City Music Hall.

Under Lavalle's direction, the band played and marched in the nation's two outstanding annual parades: the Macy's Thanksgiving Day Parade in New York City, and the Tournament of Roses Parade on New Year's Day in Pasadena, California.

Dan won all-expense-paid trips to New York and California from McDonald's Corporation, the national restaurant chain sponsoring the band.

Belles And Beaux Enchant 12B Evening

The richness of flowing velvet, billowy crepe, and soft curls enhanced the appearance of lovely girls on the evening of December 28. This was part of the atmosphere prevailing at the annual 12B Formal held in the State Ballroom of the Fort Des Moines Hotel from 8 to 11 p.m. The dance was sponsored by the senior girls, with each girl paying \$10 to become a hostess. This year there was a total of 124 hostesses. Coordinating preparations for the dance were co-chairmen Mary Bergstrom and Illa Parker.

"Belles And Beaux" served as a theme easily adaptable to beautiful and creative decorations. When the hostesses and their escorts were introduced, each girl was presented a red velvet bow. Don Hoy and his orchestra provided music for the dance.

Rick will always be remembered by the class of 1969.

Foreverness

*And so it is.
Like a baby bird
Looking out,
Finding he must go.*

*Higher, higher, higher still
Until
He is one and the same
With the sky.*

*The clouds are his,
And his alone,
Bridges to another world
Of foreverness.*

*And what remains?
A few feathers perhaps,
But mostly dreams
Unknown.*

Coach Savage Retires

After 18 years as head coach of East High football teams, Coach Savage will retire from coaching football this year. He has compiled a record of 100-36-8. He has coached ten city championships and eight Big Six championships. When he first came to East in 1951, Coach Savage's football team was undefeated. Coach Savage's teams have produced many All-City, All-Big Six players, along with many winning All-State honors.

Coach Savage has been helped by very capable assistants. They are Coach Dick Johnson, Coach Gale Burgett, and Sophomore Coach Tom Hand. Coach Savage is also retiring from 18 years of coaching baseball at East.

East Competes In Metro League

East Edges Huskies

In East's opening football game September 21, the Scarlets defeated the Hoover Huskies 26-19. The East scoring began when Bill Turner fired a 70-yard pass to Don Levell for a touchdown. After two Hoover scores, Steve Sharp's one-yard touchdown plunge knotted the score. Jim Jewett then joined in the scoring with a 13-yard run. After a Hoover score, the Scarlets clinched the game when Denny O'Boyle intercepted a pass deep in Scarlet territory, and ran it back 95 yards for a touchdown.

East Outlasts Bears

The Scarlets won their second straight game, posting a 15-7 victory over North on September 27, 1968. The scoring began when Mike Hildenbrand blocked a North punt and recovered the ball in the end zone for a safety. The first Scarlet touchdown came on a 33-yard run by Jim Jewett. The final East tally came on a two-yard run by Don Levell, moments after he caught a 53-yard pass from Bill Turner. Key defensive performances were made by Clay Hays and Bob Sundberg.

Scarlets Blank Tech

The Scarlets blanked Tech's Engineers 19-0 October 3, 1968. Led by Don Levell's two second-quarter touchdowns, East surged out of reach of its opponent. In the second period, Mike Hildenbrand blocked his second punt of the season, and gave East a golden opportunity to score. Just five plays later, Levell scored his first touchdown on a three-yard run. His second touchdown came on a 66-yard punt return. Steve Sharp scored the final tally in the fourth period on a blast from the one-yard line.

Tigers Down Scarlets

Valley defeated the Scarlets at Valley High Stadium October 11, 27-21, marking the first East defeat. The Tigers opened the scoring on a 95-yard kick-off return. East countered when Bill Turner scored on a one-yard plunge to cap a 56-yard drive. After a second Tiger score, East matched on a 64-yard touchdown run by Turner, giving East a 14-13 lead. In the third quarter, with Valley leading 20-14, Turner passed 37 yards to Don Levell for a touchdown, and this gave East a 21-20 lead. The Scarlets held the lead until the final two minutes when Valley scored their final touchdown.

Coach Bob Savage readies for an upcoming game by explaining an aspect of a play to end, Al Veasley.

Defense Prepares

East's defense digs in to repel the opposition in its season opener against Hoover's Huskies.

Scarlets End Season

In the Scarlets' fifth game, the Dowling Maroons were the opponents. The Maroons proved their No. 1 state ranking by posting a 51-7 victory October 18. East's lone score came in the fourth quarter on an eight-yard run by halfback Jim Jewett. Jewett led the Scarlet rushing attack with 46 yards, and Bill Turner passed for 101 yards.

The Scarlets suffered their third straight defeat in losing to city rival Roosevelt 27-7 on October 26, 1968. Jim Jewett scored the lone East tally on a five-yard run in the first quarter. East scored first, but the Roughriders stormed back and dimmed the hopes of a Homecoming victory for East High.

Lincoln High defeated East 53-7 November 1. The Scarlets were held to four first downs by a tough Railsplitter defense.

November 9 saw the Scarlets travel to Cedar Rapids to play Regis High. Regis defeated East 32-13, and brought East's season to a close with a record of three wins, five losses. Regis had a No. 4 ranking in the state at that time, and kept their ranking intact.

At the close of another game, the team comes off the field with mixed emotions on parts of the game just concluded.

The Scarlets charge on the field all set for another gridiron battle.

Sophs Tie For 4th In New Metro League

The Canaries, sophomore football team, ended their season at 4-3, while tying for fourth place in the Metropolitan Conference play this year with Roosevelt. This year's sophomore team will be a great asset to next year's varsity, since there were many outstanding sophomores. Some of the prospective candidates are Kevin O'Boyle, quarterback; Steve Lewis, guard; Bill Cronin, tackle; and Criss Brown, end. Sophomore Coach Tom Hand had this to say about this year's squad: "I am really proud of this year's sophomore football team. They hung together and represented East High as East High should be. We will have many prospective candidates for next year's varsity squad."

Team Displays Unity, Balance, Hustle

Phil Carlson, All-City Center

The 1968-69 basketball team started off the season losing their first four games. After eight games their record was two wins and six losses. After this slow start, they went on to win ten of their last twelve games, finishing the season with a winning record of twelve wins and eight losses. The wins included big upsets over Hoover, Valley, and Ottumwa. The team finished third in the Metropolitan Conference with a nine and five record, but were beaten out of the District finals by Pella.

Representing East on the All-City Basketball team was Phil Carlson, who was named All-City Center. Phil also topped the school's scoring record with 52 points during the Ottumwa game. Coach Sandquist commented, "Much of the success was due to the fine unity, balance, and hustle that the team developed."

Junior Varsity Completes Winning Season

This year's junior varsity basketball team, coached by Mr. Gulick, completed its season with a 5-4 record. The J.V. squad started the season with a crushing 84-36 victory over Newton and in the second game downed the Hoover J.V. 57-52.

The junior varsity team is composed of members of the varsity squad who don't play in the varsity games. These games give the members of the squad the experience needed in playing varsity ball next year.

Sophomores End Season With 5-13 Record

Led by Coach Dick Johnson, the sophomore basketball team ended its 1969 season with a 5-13 record. The Scarlets' first win came when they defeated Tech 47-26. Criss Brown led the Scarlet attack against Lincoln with 14 points, dumping them 54-40. Against North, Mike Collins scored 14 points to help defeat the Polar Bears 57-41. The Scarlets took their second game from Tech, 62-32, with Kevin O'Boyle scoring 15 points. The Valley Tigers defeated the Scarlets by

one point in the final seconds of play, 55-54, in a game that was close from the opening tip. Mike Collins and Vic Erickson both scored 17 points in the losing cause. The final win of the season came when the Scarlets beat Nevada 77-74.

There were many outstanding players produced this year, and many will go on to play junior varsity and varsity basketball next year, making those teams even greater than they were this year.

One of the bright spots of East High wrestling was Captain Don Taylor's winning of the city championship at 103 pounds, and the sectional at 103 pounds. Taylor's record was 17-4.

Many first-year wrestlers dominate the wrestling team. Five sophomores were competing on varsity, along with six juniors. Though East's record ended as 1-7, they will have returning lettermen in nearly every weight for next year. The wrestlers competed, in addition to the sectional, in four tournaments.

Gary Rourke awaits referee's whistle.

Reserve Squad Adds To Varsity Strength

Alan Mauk proves to be too much for his opponent in reserve wrestling match.

Wrestlers caught in typical practice session.

The Reserve and Junior Varsity wrestlers gained valuable experience this year which is the main purpose of the squad. The Reserve, like the Varsity wrestlers, were hampered by lack of boys to fill spots on the team. Many sophomores filled vacancies at almost every weight class on the Junior Varsity team at some time during the season.

Of the Junior Varsity team who were wrestling this season, very few had previous experience, these were: Alan Mauk, Gary Rourke, Dave Schmid, and Dave Nelson.

Mr. Burgett coached both of these teams.

Something New Added To Swimming Lineup

East's Tankers finished the season with a record of four wins and five losses. The team was hampered by lack of depth, with only 16 boys out. This left many Varsity positions open for sophomores, who did a good job of filling them. The Tankers were coached by Mr. Vavra and Mr. Ackerman. This was Coach Vavra's first year of coaching at East. He and Mr. Ackerman did a fine job of coaching a small and fairly inexperienced team. Five boys qualified for State: Steve Knight and Tim

Vorm, seniors; Phil Hasel, junior; Tom Rowat and Charlie Hollingshead, sophomores.

Something new was added to East's sports lineup this year. This addition was the girls' swimming team. They participated in three dual meets, and a district meet. Judy Simpson and Marcia Macaulay qualified for State. "The girls were new to competitive swimming," said Mr. Vavra, "but they were eager and willing to learn."

Cross Country Gains Experience In Metro

The basketball coach, Mr. Sandquist, took over this year's cross country team during the illness of Mr. Oxenreider, regular coach.

This year's team was at a disadvantage because of no returning lettermen, and only one senior, but next year looks promising because of five returning lettermen: Cortez Nichols, Bill Westholm, Dennis Damerval, Rick Hudson, and Henry Peterson. The two

other members who received letters were Adrian Swenson and George Booker, captain of the squad. The two best times this year were by Cortez Nichols in the mile with a 5:09 and Henry Peterson in the two-mile with 11:15.

The '69 cross country team promises to be one of the top squads in next year's Metropolitan Conference.

Track: Speed, Ability

The 1969 East High track season begins March 29, at the state indoor meet in Iowa City, and ends May 24 at the state outdoor meet in Ames.

This year's squad includes five returning lettermen: Jerome Clinton, John Ievalts, Clay Hays, Jim Jewett, and Larry Richards. Along with these lettermen is a strong group of hustling junior and sophomore cindermen.

This year's squad is very strong, with most of its strength lying in the relay events.

Terri Thomas Reigns Over '69 Homecoming

The 1969 Homecoming began with the Homecoming assembly Friday, October 24, headed by the social committee of Student Council. The highlight of this event was the crowning of Terri Thomas as the 1968-69 Alumni Queen. The theme, "How the West Was Won," was enhanced by the float, which pictured a Roosevelt Roughrider being burned at the stake. Money for the float was raised through the Pep Club bake sale, "Guess-the-Score" game, and the sale of bumper stickers. On Saturday, after a rousing battle with Roosevelt, the Homecoming dance was held. With entertainment provided by the "Soul Vibrations," the 1969 Homecoming proved to be a great success.

Yearbook — Reflection Of 1968-'69 Year

Recording the history of the school year, accurately and without omitting anything, has been the goal of the 1968-69 Quill Staff. Under the leadership of Liz Hammer, Scott Shannon and Pat Leader, the staff has worked hard to accomplish their goal.

Due to a growing and more active East High and increased advertising, sixteen pages were added to this year's Quill.

The yearbook was divided into six sections: academic, senior, athletics, activities, underclassmen,

and the index with each section having an editor. Members of the staff were then assigned pages and their jobs were to make up pages, make out picture cards, identify and size pictures, and write copy.

Special mention should be given to Quill Staff photographers: Richard Allison, Chuck Taylor, and Edward Green. Helping them out by taking about twenty-five yearbook pictures was the Photography Club sponsored by Mr. Lethcoe, Mr. Sloan, Mr. Storer, and Mr. Peterson.

Scarlet News

The 1969 Scroll staff worked hard to keep both students and alumni informed of news at East, including coming events, past activities, innovations in curriculum, and the relationship of East High's students to our community. The Scroll is truly the voice of East High, communicating to other schools, as well as the entire student body, the happenings at East.

More Money For Council

The Fall Student Council had a busy semester. The council sold calendars, Homecoming tickets, little mums for the girls to wear on the day of Homecoming, and student directories. This provided enough money to put a substantial sum in our treasury.

Spring Council Enacts New Plan

The Spring Student Council utilized a new system of electing its representatives. Instead of being elected from the home-rooms, they were elected from the social science classes. This change was made so that more interest and discussion might be generated than had been previously seen in the limited home-room period.

Twenties Relived In "Gentlemen Prefer Blondes"

On the evening of November 15, the East High auditorium was transposed into "The Roaring Twenties," the setting for the fall play, "Gentlemen Prefer Blondes."

Revolving around the idea of two young girls off to Europe by themselves, the three act play thoroughly charmed its audience. Just barely off to

Europe, the girls found themselves in financial trouble. The various ways in which they went about trying to remedy their financial situation and their plans to capture husbands, proved quite humorous.

Mr. Waller, play director and head of the drama department, held tryouts for all of those who wanted a part in the play; students were chosen on the basis of their acting ability.

Helping to make the Fall Play a success were Donna Mohr, Barb Haworth, Andy Mosqueda, and Jane Ryerson.

Friends played by Brad Simpson, Christina Mathis, Jackie Bolin, Doug Griffith, Sherrie Foust, and Bob Duffy gather to see "Dorothy" (Jane Ryerson, center) off to Europe.

Dr. Marshall's Story

East High's production of "A Man Called Peter" was presented on April 11, 1969, under the direction of Mr. Waller. It depicted a part of the life of Dr. Peter Marshall, a minister of Scottish descent in Washington, D.C. The story begins with a meeting of a few young people in his congregation. The play centers on Dr. Marshall's efforts to solve the problems of these young people. The problems range from a juvenile delinquent's attempt at reform to one youth's rebellion against his tyrannical aunt. The understanding of Dr. Marshall and his wife Catherine helps to solve these and other problems.

Cheerleaders Help In Raising Scarlet Spirit

Games, pep assemblies and rallies were among the best places to find a Cheerleader this year. Shouting cheers of victory and singing the school song gave needed support to our athletes in competition.

Cheerleader Nancy Whitson brought seven new cheers to give added spirit to our athletic events.

The Cheerleaders, with Santa Claus as special guest, were able to put on their own Christmas assembly.

Guiding the Steppers to perfection were Captain Bettie Ballard and Co-captain Pat Spurgeon. Mr. Raymond, adviser, has helped Bettie and Pat in planning and perfecting drills for the Steppers to perform at school football and basketball games.

In addition to providing sparkling halftime entertainment, the Steppers represented East at Band Day and Veishea in Ames, the Drake Relays Parade, and Armed Forces Day Parade.

All sophomore and junior girls with a "3" grade average are eligible to try out in the spring. Judging is based on marching ability, poise, appearance, and scholastic ability.

Gratifying Year Ends For East Girls' Club

East's Girls' Club kicked off its first meeting with a coke party and a discussion of the coming events. In October, Connie Fulk and Virginia Fuller, Youngers Teen Board members, gave a demonstration of correct methods of applying makeup. For their service project, the girls decorated the library for Christmas. During January and February, the Club was busy planning for the annual Spree held late in February. Girls' Club completed its year with a Mother-Daughter Tea in May, in which the new officers were installed.

State Fair Portrayed At Spinster's Spree

Bob Sundberg and Nancy Whitson were crowned king and queen of the annual Spinster's Spree held February 22. Sponsored by the Girls' Club, it is a tradition for the girls to ask the boys, provide transportation and finances, and create an original corsage for them. Other attendants of the annual event were juniors Kent Brady and Virginia Fuller, and sophomores Kevin O'Boyle and Theresa Hanson.

The theme of this year's Spinster's Spree was "State Fair." It was enhanced by the carnival-like atmosphere of the various booths, such as "Easto" and "Shoot the Bull," which were located in the Girls' Gym, while music for dancing was provided by Rhythm's Children, in the student center. Prizes were also awarded for the winning corsages in the areas of originality, humor, and theme.

Pep Club Active In Raising Scarlet Spirit

Pep Club represented East at almost all sporting events this year. Wearing the Pep Club uniform of traditional red, this club joined the Cheerleaders in spirit-boosting cheers.

Under the leadership of Mr. Sloan (adviser), Teddi Barron (president), Patti Ives (vice-president), Mary McDowell (secretary), and Sherri Nielson (treas-

urer), Pep Club grew in membership and spirit.

Buses to out-of-town games were filled with many enthusiastic, energetic, and spirited East High Pep Club members.

Tenth Foreign Student Welcomed At East

The American Field Service adopted the letters, A.F.S., to mean American Foreign Student Exchange. Through the financial sponsoring of a foreign student, it attempts to promote international

good will and better understanding through club projects and meetings. Some of the activities of our A.F.S. club include: a Halloween get-acquainted party, Christmas inter-city party, and the penny fund collection. Also, this year, A.F.S. will complete a project for a foreign student flag and picture showcase for the library.

JULIDE ERGUDER
Foreign Exchange Student

East welcomed its tenth foreign student, Julide Erguder, from Ankara, Turkey, this year. Julide arrived in August and will leave the United States in late June. Her main interests are foreign affairs and diplomatic service. Although, at first, it was a little frustrating, Julide has found it quite interesting to compare the cultures of the United States and Turkey. While in the United States, she is enjoying the hospitality and learning our customs at the home of her American sister, Chris Anderson.

This year, Julide made her home with the Herbert Andersons at 1514 E. Jefferson. Seated: Sherry, Julide, Chris; Standing: Mrs. Anderson, Mr. Anderson, Beth.

I've a future I must build

There are plans that I must draw.
Then let this timid hand of mine
Be guided, line for line,
With that steady, certain trueness
Of the Hand that planned
This universe.

There are materials I must choose.
Then let this casual mind of mine
Choose with the wisdom of the Mind
That fixed the substances
Of things like grass and trees
And mountain peaks.

There are decisions I must make.
Then let me make them with that sureness
That divided land and sea,

And day and night, the birds that fly
And beasts that roam the field.

There's a determination I must have.
Then let me bind myself unto such things
As principles, and truth, and right
With that same permanence
That holds in their celestial places
The sun, and stars,
And all the heavens' gems.

I've a future I must build.
So, let me build it with such care,
such tools, such wisdom,
And with such a rugged firmness,
That all the fiercest thrusts
Of host or elements
Cannot destroy it.

Aye, I've a future I must build . . .
Let me rise, then, to the task!

—Bernard J. Patrick

The food is great if you don't mind paying a little less for it!

And when you bite into a McDonald's hamburger, you are biting into **pure beef**. Top-grade lean ground chuck, plus other choice cuts for flavor. They are served on a toasty just-baked bun like you would do it at home. And

those milkshakes are so thick you need one of our special straws to drink them. They couldn't be better if you made them at home. So go ahead . . . save a little!

CONSIDER... **A CAREER** ...NOT A JOB

When looking ahead to your business life, you want to think beyond just a job. Consider the kind of business career you want and judge the qualities of the company which is a part of that business. Life Insurance is a good business and the Equitable Life of Iowa is a good company — offering so many opportunities for the career man or woman.

Look into the Equitable, and you'll find all of the so-called fringe benefits offered by business generally, plus some that only Equitable has for you. Most importantly, there are so many phases of life insurance

work that your opportunities for advancement and permanency are limited only by your own ability. In the Personnel Office, 1105 Equitable Building, you'll find Miss Pat Bush — discuss with her all the opportunities that exist for you at the Equitable — you may choose your career right now.

SEEDS

ARE OUR LINE

Hybrid seed corn has been the Pioneer company's specialty for over 40 years. We're one of the top hybrid seed producers in the world today.

Expansion into other field seeds—grain and forage sorghums and alfalfa—has greatly expanded our market. Extensive background in genetic research has contributed to the growth of the company's Hy-Line Poultry Division, also.

If your future plans call for employment in the agri-industry field, remember the name Pioneer.

If he is clean and vigorous, suitable for you, and quite perfect in your opinion; if he is the man you think he is and you want him, don't put him on a pedestal and worship him as an idol.

Be sensible. Wrap him around your little finger and get a ring on the next.

A lady was walking down the street and came upon a man with a wooden leg. She stopped and clucked sympathetically, "You poor man, you've lost your leg."

Why do so many East High girls wear diamonds?
There are three reasons: Woolworth's, Grant's
and Kresge's.

There is a great similarity between girls and cars
—a good paint job conceals the years, but the lines
tell the story.

YOUNKERS

As part of Younkers firm belief in the young people of today, a program is offered each year for the Des Moines area schools . . . TEEN BOARD for junior and senior girls, and ADVISORY BOARD for junior and senior boys. These young people, selected to represent their schools, are chosen for leadership qualities, high scholastic standings, personal recommendations from school administrators and evaluation from members of the retiring boards, plus their interest and ability in retail and fashion. They participate in special fashion shows during the year, give talks in their schools and to other groups on good grooming, publish a monthly newsletter and work in various junior departments each Saturday. Younkers salutes the representatives from East High School for a job very well done.
